ABOUT THE FESTIVAL

Maelstrom International Fantastic Film Festival (MIFFF) is the Pacific Northwest's premiere weekend long event devoted towards independent and international genre film making.

The event is being created to offer exposure to genre films(action, fantasy, horror, and science fiction), which are often overlooked by the traditional film festival circuit.

MIFFF will feature an amazing selection of interesting fantastic films from around the earth – with the possibility of artists presenting the works themselves. U.S. and world premieres will play alongside global festival favorites and select retrospective titles.

MISSION & OBJECTIVE

MIFFF is devoted to presenting interesting and challenging works from multiple genres.
